About Us

With a quarter-century of experience in the PVC and aluminum joinery sector, we have been providing production and installation services since 2019 in our modern facility located in the 1st Organized Industrial Zone. By offering high-quality products from reputable brands such as Rehau and Kompen, and complying with ISO and CE standards, we serve both large-scale projects and retail demands. Our company is committed to customer satisfaction, technical solution-oriented approaches, and continuous improvement, making us a reliable solution partner in the industry with our strong team and high production capacity.
