معلومات عنا

Our company started to get active in business life with the manufacture of agricultural trailer in the sector of Agricultural Machinery in 1974. As an initiator of quality both in the past and future, our company has manufactured different agricultural machines and their spare parts since its foundation and is now one of the biggest agricultural machinery manufacturer in Turkey. Our company has performed the best service to the customers by keeping in step with technology, establishing dialogues with farmers and adopting success as a goal. It is necessary to apply and follow the developing technology in order to reach the world's standards in our century. For that reason, our company has given the required importance to both domestic and foreign markets
