Über uns

Our Company DEKSAN Machine Industry starts its production with Agricultural Trailer Turntables in 1976, and has continuing its production as DEKSAN HYDRAULIC MACHINE INDUSTRY and TRADE CO. By adding Agricultural trailer Hydraulic Telescopic Cylinders and Axles with and without brake in its productions since 1985. Our technical staff and R&D department staff following closely the developing technology and supported by TÜBİTAK (The Scientific and Technological Research Council of Turkey) in 2006-2007 recognizing the Producing for the first time in Turkey of special perimeter profile projects with cold inflation method and seamless Trailer turntable (tourniquet).

Our turntables which are produce in European standards eliminated the need for industrialists and farmers. At same time
