About Us

Acar Drilling operates in the drilling machinery manufacturing sector under the brand name Acarkardesler Sondaj. Our manufacturing started in Konya in 1995 and has continued professionally until today. Our company has started export activities since the first years of its establishment; It sells to countries such as Sudan, Ethiopia, Mali, Nigeria, Somalia, Tunisia, Algeria, Iraq, Qatar, Afghanistan, Azerbaijan, Kazakhstan and Russia. As Acarkardesler Drilling, we produce in our modern facility of 4000m2 in total, 2000m2 closed and 2000m2 open. Our company realizes the production of geothermal (hot water) drilling machines, cold water drilling machines and drilling machines spare parts and other equipment in accordance with today's technology.
