Hakkımızda

Açık İnşaat has been continuing its existence in the building sector since 1977. It operated as a sole proprietorship in Eleziğ by Mehmet Açık from 1977 to 1985. In 1985, Açık İnşaat Sa. ve Tic. Ltd. Sti. has established. Open Construction, which has been operating especially in the field of road construction for more than 30 years, has successfully completed many projects all over Turkey. Açık İnşaat has established itself as one of the largest and reliable road construction companies in our developing Turkey with its experience, technical personnel and constantly renewed machinery.
