### About Us

AERDIESEL continuously develops its product range to meet market demands. We know very well that to stay strong against the changing dynamics, we must excel in quality. Therefore, customer satisfaction is a fundamental element for us. For this reason, we must value and listen to the requests, suggestions, and ideas of our customers. The products we manufacture for heavy-duty trucks in Europe and Japan are as follows: OIL PUMPS  
WATER PUMPS  
FUEL FEED PUMPS  
RELIEF VALVES All our products comply with original standards and specifications.
