Hakkımızda

Afo Makina Taşımacılık Otomotiv started with galvanized fuel tank manufacturing in a small workshop in 1996. Presently produces for all heavy vehicles original sized Aluminium and steel fuel tanks, for trailer Aluminium air tanks and Aluminium and Steel Oil Tanks for all type hydraulic lifting systems. In these 22 years, improved production line and its technology. Today become the name of success and talent. In fuel tank sector, succeed to be a brand and with official brands AFO MAKINA and OMD DEPO had a prestigious place in the internal and foreign market. We are able to present quality, reliability and solidity to our customers. Our product range and capacity are increasing regularly. To reaction for this capacity increase, we are resuming investments of facility and machine
