Hakkımızda

Our company was established in 1994 in Konya Anatolian Industry, in an area of 300 m2; Mat started its production life with the production of irrigation hose. Between 1997 and 2008, it continued production in Konya Büsan Organized Industry by adding new products to its structure. We are planning to continue our targets in our new facility, which we moved as of December 2008, located in Konya 2nd Organized Industrial Zone, which is established on a total area of 12000 m2, 7000 m2 of which is closed.
