About Us

"Anatoil'a" is owned by Akbaşlar Ltd.Şti. The company is established in 1996. Anatoil'a products around the world now include wheat, barley, clover, corn, sunflower and also safflower. In near future, the company will expand the product selection include nigella seed and pumpkin seed. Our passion for perfection of natural cold press oil selection. Safflower oil remains not only Anatoil'a most famous product, but also the most loved.
