About Us

AKIN Trade operates in the automotive and railway spare parts manufacturing sector. Established to meet the evolving needs of customers in the automotive and railway industries with the quality and distinction of "Akin Trade," we provide the fastest and most seamless solutions. Since our inception, we have embraced customer satisfaction and continuous improvement as our core philosophy, earning a significant position in both domestic and international markets with our high-quality products. Our company, guided by its founding principles, work discipline, and mindset, continues to manufacture and market parts for the railway sector, tractor sector, and light commercial vehicle sector. Aware of the importance of adhering to the values we've upheld since day one, and proud of the products we've created, we are ready
