Hakkımızda

A 35-year journey of success...We have been producing brake drums and brake discs for heavy-duty vehicles since 1988. We have crowned our production and automotive experience by investing in state-of-the-art facilities, machinery and devices, and aiming for the summit by occupying an unshakable position in our sector. The new and powerful Frenka, sensitive to the environment, producing quality, providing employment, contributing to the country's economy, an export champio.
