About Us

AKOS Foreign Trade Ltd. Sti. It is one of the largest aluminum system manufacturers that has grown rapidly in the world market with the brand AKOS since 2006. AKOS Smart Aluminum Railing Systems have been accepted in five continents and dozens of countries and are accredited with international certificates. One of the most important factors that enables the company to grow with fast and solid steps is quality and quality consistency. The company is aware of the importance of quality and has determined this as its priority. It organizes the entire operation process and program based on healthy and reliable mass production. Every stage of production is managed according to the ISO 9001:2015 quality management system. The AKOS brand, which sends most of its production to export, carries the future to the highest level with its
