### Hakkımızda

"Strong roots are needed to be strong" In 1984, Mehmet SEVINÇ, the founder of our company, laid the foundation of our company, in a modest workshop at the Meram Industrial Zone, which has the oldest history of Konya. When we started our working life adventure, we adopted the following principle as our guide: "The best one of you the one who is the most useful to others". We have preferred to make better quality production instead of earning more money. We have determined the commercial codes of conduct as a lantern enlightening our way. In these days when we celebrate our 35th year, We are experiencing the happiness of being the leading and exemplary company of the sector in topics such as quality in production, and respect for all kinds of ethical principles of commercial life. The reason why we are being
