Hakkımızda

Thanks to the strong and widespread progress of "Active Signage Advertising" from the working environment to the present, many SMEs and corporate companies operating in the advertising sector in the region have managed to become an indispensable solution partner and have increased their power thanks to the advantages it provides. It has an ever-expanding customer portfolio. Fair Organization, Digital Printing, Outdoor Advertising, Vehicle Dressing, Facade Applications etc. In the face of increasing customer density and demand in the market, "Active Signage Advertising", which provides services in the areas of "Active Signage", turned to products and services. In order to provide better service to its solution partners in the face of increasing customer density, it started to serve with the Searcher services and the contract
