About Us

It was founded in 1980 by Ali ÇETİNTAŞ, who grew up in a single-storey store of 25 meters from the core, and started to serve in the shoe manufacturing sector with a manufacturing model highlighted by the time. Our company, which started to work in the shoe manufacturing sector by producing boys' shoes called 25 - 29 Booties and 30 - 35 Filets, in this product group, provides difficult factors such as material quality, product variety, quality workmanship and especially customer satisfaction, which it always prioritizes, in a very short time. has succeeded. Thus, our company has entered a process of progress towards growth with firm steps by laying its foundations on a very solid ground. Due to the day by day growth and increasing production capacity, our company has increased its workplace from 25mt to 75mt, and the higher
