About Us

Our company was founded in 1955 as a sole proprietorship by Alı GOKSUCUKUR. With the growth brought about by time, it became ALIZADE A.S., a family-owned corporate entity, in 2007 under the leadership of Vedat GOKSUCUKUR. Throughout this period, our company has continued its business journey with integrity and in adherence to the traditions and customs of our country, maintaining strong principles and values without compromising the ethics of commerce. The well-being and happiness of our employees take priority, and the essence of our internal processes is based on respect, love, friendship, loyalty, and tolerance. We take pride in producing natural products that meet world standards, and we are happy to have our name associated with quality. We are committed to customer satisfaction and proud to serve people.
