About Us

Vatan Trailer was established in 2008 and previously continued its activities in Karatay Industry, in June 2013, it came to Aslım Industry, which has more closed area. We continue our activities in an area of 350m². We produce trailers and agricultural machinery to serve our valuable farmers with a staff of 6 people. We have standard and special types of products. Our trailers are manufactured in tonnages between 3 and 25 tons. We come before our farmers with optional options such as tipper, tipper, tire, tireless.
