About Us

Entering the sector in the early 2000s with high-quality glow plug production for diesel engines, A-N GLOW PLUGS has quickly grown into a recognized manufacturer in the global market. Combining European production standards, OEM-approved raw materials, and advanced machinery, the company has established a strong foundation of reliability and precision. With more than 20 years of experience, A-N GLOW PLUGS stands today as a trusted supplier worldwide.
