## Hakkımızda

Company Owner, Mr. Halil İbrahim Yongul, founded ARK DRILLING aiming to stand out in international competition, with his 20 years of experience in the manufacturing of Drilling Machines and the pride of proving himself as the quality and trust he created in the local market. In a short period of 6 months, drilling machine sales were realized to Georgia, Guatemala and Algeria countries and made a rapid entry into the Asian-South America-African markets. Our company is one of the leading drilling machine manufacturer in Turkey with 100% domestic capital. ARK DRILLING has a strong brand image with its superior service and machine quality, focused on meeting the needs of the sector by foreseeing the needs of the industry by making the best use of supplier and industry resources, with the cooperation of its expert technical team
