About Us

Based on our unique experience such as being 15 years of brake service point and 20 years of local and international sales and marketing for spare parts for Trailers, Trailer equipment, Dump Trucks, Axles, ARTI SPARE PART was founded 2017. After long experience and unique know-how of being authorized service point and authorized sale representatives of well-known brands (Wabco, Knorr, Haldex, Bpw, Saf, Walx, Arfesan) We are respected and well established company in Turkey and even our manufacturer friends consult us during their production and R&D process.
ARTI SPARE PARTS makes a difference in the sector by respecting to the environment and fulfilling its social responsibility and obligations to its customers with expert staff, trust, honesty and long term relations philosophy.
