## About Us

ATS Motor Parts Industry and Trade Inc. was established in 2012 and specializes in the production of high-precision engine components for internal combustion gasoline and diesel engines. Operating under its own brand TETIK, the company positions itself as a reliable solution partner in the manufacturing of valves, valve guides, and valve seats. Since its foundation, ATS Motor Parts has adopted quality, continuity, and customer satisfaction as its core principles, delivering modern manufacturing solutions to both domestic and international markets.
