About Us

It was established in Konya in 1979 as GÜÇLÜ FURNITURE. It continued on its way as AVIVA in 2000. It is one of the leading brands of the sector with its high production capacity and the growth trend it provides. Looking at the past 40 years since its establishment, it has succeeded in continuous development and growth by increasing its customer portfolio and quality every year. Customer satisfaction is the most important issue for AVIVA, which has the experience and competence to produce all kinds of products to meet the needs of its customers.
