About Us

Founded in 2019 under the leadership of our staff with a long adventure and expertise dating back to 1974, AYT Piston Sanayi Tic. Ltd. Şti. continues its activities in the production of pistons and piston pins for internal combustion engines.
Our company's production facilities in Büsan Özel Org. San. Region consist of a 1500m2 closed factory area built on a 2000m2 open area.
In our production facilities, we produce over 800 types and varieties of pistons and piston pins with diameters ranging from 40-230 mm.
The pistons we produce are offered to our customers in foreign and domestic markets.
