About Us

Barak Arms, officially established in 2004 in Konya, is one of the leading firearms manufacturers in Turkey.
The company has been among the first shotgun manufacturers in Turkey with its experience and knowledge gained in all areas of the arms industry since the 70s. Producing guns fully compliant with TSE, ATF, SAAMI and CIP standards, Barak Arms produced Turkey's first 12 caliber vertical magazine smoothbore shotgun with the Barak 99 model and gained fame in many international markets. Subsequently, by producing 20 Barak Arms, officially established in 2004 in Konya, is one of the leading firearms manufacturers in Turkey.
