Hakkımızda

As Birmak customs consultancy, we have been serving our valued customers in Konya since 1986. As the first customs broker of Konya, we have always tried to direct the development of imports and exports. And we continue with our staff that constantly improves themselves. We follow the legislation in our office constantly and start the transactions online and finish the process at the customs, at the port. We, as Birmak Customs Consultancy, do everything you are looking for regarding your customs clearance services, with all our knowledge, talents, in solidarity, as a team, by trying to do the best we can within the division of labor, with care and with a very special sensitivity.
