Hakkımızda

Our company started its production life in 1988 as what we call a workshop and hand loom, and in 1993 it laid its first foundations as a family company. It made production with hand work and semi-automation until 2000s, it has been completely mechanized since 2001 and continues to produce with full automation. . Today, it continues to manufacture in approximately 2000 m2 closed area. Our company works with two registered trademarks under the name of berenni and crisso in order to produce the fashion of the day in the best quality and in the most appropriate way both in the domestic and international sales platforms. Therefore, our company is ready for all kinds of opinions and cooperation.
