Hakkımızda

About Us Our founder had just started to produce pastry store in food sector and he was 13 years old while starting up. His status has changed thanks to hardworking, trustable and on a regular basis. He has always broadened his horizon and it caused to accomplish new succeed in business life. He has converted the business from pastry manufacture to the raw material supplier thanks to biggest thoughts and plans. Then Bulvar Group has collobarated its power with Ulker Group. As Bulvar Group, its main purpose is that provide high quality raw materials to the biscuit, confectionary, chocolate and pastry manufacturer. Bulvar is trying to do its best to offer the order just in time with the vast product range. As Bulvar Group, we believe that service sector is a craft for us. Moreover, we are always supporting and solving the customers' problem
