Hakkımızda

In 1982, a business was established as a Men's Tailor in a small area of Konya by Ismail Yaskiran, and it continued its activities in this way until 1994. In 1994, the business was transferred to Konya Wholesale Dryers and entered the Clothing sector. Our company started mass production in the field of apparel in those years and continued to develop itself. Niche Market in the Work Wear Sector in Konya stood out in 1996 and our business decided to focus on this business line. Founded in 1996, BURCU KONFEKSİYON OTO VE INS. TRADE. LLC. It is the oldest and largest establishment operating in the Work Wear sector in Konya. Our company, which serves four main sectors, is an organization that appeals to every sector in Workwear with its wide product range consisting of Industry, Security, Tourism-Hotel and Hospital clothing.
