Hakkımızda

Why Carota Global?

As Carota Global, we are both producing and aiming to carry the Turkish fresh fruits and vegetables sector to domestic and foreign markets. As Carota Global company, which operates in the field of fruits and vegetable production in Turkey, which is the core of the world's eye in the agricultural sector, we continue our efforts with dedication to promote Turkish Agricultural Products, contribute to the country's economy, and leave a better world to our future generations.
