

About Us

Our company, which was established as a collective company in 1964, has been considering serving Turkish farmers and villagers as a debt for many years. For more than 45 years, Çeliksaç has managed to announce and promote its name, world brand and emblem both in Turkey and to the world. Since 2007, Konya 2.O.S.B. Our company, which continues its production in Evrenköy street, continues to capture the most perfect by combining today's technology with years of experience.
