Hakkımızda

About Us

Founded in 1974, our company was established in the automotive sector by producing spare parts and in 2008 started to operate in the composite sector as well.

In 2017, our company, which closely follows its industry and technology, continues its commercial activities in 20.000 m2 closed production area under the name of CEYLAN COMPOSITE INDUSTRY AND TRADE INC. together with our new investments.

Our company aims to provide permanent solutions to the needs of consumers and produces composite products which
