## About Us

In 2009, Coskunlar Pano started its operations in Konya Anadolu Industry. Our product groups include outdoor type panels, indoor type panels, piano panels, modular panels, monoblock panels, machine panels, fire cabinets, machine enclosures, etc. Our quality continues to rapidly improve with each passing day. We expand our vision by adding state-of-the-art machinery to our portfolio every year to offer more aesthetic, higher quality, and more reliable solutions to our valued customers. Our company is continuously working towards reaching the level of global organizations and becoming a sought-after brand by closely following technological advancements in line with international standards. At our company, where customer satisfaction is prioritized, we demonstrate high performance through a collaborative approach with our
