About Us

In 2008, it started to offer Oily Breadsticks (Yağlı Gevrek) products under the name of İLKLER brand which has grown its manufacturing capacity at 3500 M2 and has its own brand of national store chains on the Turkish market. Our company started to produce cakes and biscuits in a small modest factory in 1993. We made the first export between the years 1996-1997 and our export continues to grow consistently. In 2012, it started to produce 80,000 Kg cake, biscuits and cookies per day with its fully automatic machines with its automation system within about 10.000 m2 closed area within 15.000 m2 area in its own factory. Our products are produced in accordance with the Turkish Food Codex and have TSE 22000 and TSE 9001 certificates.
