About Us

Our company founded in 1970 and we are a producer/exporter company in Turkey for production of turn-key irrigation pipe extrusion lines.

With our proficiency and technology we have settled more than 200 turnkey pipe extrusion lines in Turkey, Balkans, South America, North Africa, CIS and Middle-East.

Our product range includes;

* Symmetric-dripper Flat Drip Irrigation Pipe Line with 325 mt/min real production speed at 20 cm spacing.

* Nano-dripper Flat Drip Irrigation Pipe Line with 325 mt/min real production speed at 20 cm spacing.
