About Us

DMS CNC MAKINA from 1981 to the present..

DMS CNC MAKINA was established in a workshop of 100m2 by manufacturing lathe works and sub-production in Konya Karatay Industry in 1981 and DMC CNC MAKINA has been one of the leading companies which made CNC supported production in Konya. Its production capacity was increased by augmenting number of CNC to 8 pieces in equipment pool. DMS CNC MAKINA which has begun also selling the CNC machine since 1996, established HAN ELECTRONIC company which is service company for providing higher quality and express service to their customers in 1997 and has had important (significant) references in a short time by continuing to its investment fully on CNC Selling and Service.
