About Us

Having started its activities in 1979, Doğrular Ev Ürünleri A.Ş. completed its investment activities in a short time and started production in Konya-Meram facilities. Doğrular, which carries out production by prioritizing customer satisfaction and quality understanding, has become an international brand used by millions of families in Turkey and abroad in a short time. It serves all customers by expanding its sales and after-sales service network in Turkey and abroad with its Konya Headquarters and Istanbul Branch Office. Doğrular, which exports 60% of its annual production to Europe, Middle East, Central Asia, North Africa and Russian Federation, has established representatives in many countries. Doğrular has an understanding that is not satisfied with its current position and always aims to take forward steps and makes major
