About Us

About Us

DR. SOFT brand which is produced by a fourth-generation family in its sector with years of experience has filled a gap in its field. The shoes which are designed in the Italian style for years have been liked and consumed in our country. These products were chic, smart, and elegant models. However, most of the time not the shoes to the foot, but the foot is tried to fit the shoe. Whereas, the shoe is of the closest anatomic structure to the human body and must be made of the most compatible materials as its main task is to carry the human all day long although it is an accessory to complete the dressiness. Therefore, prioritizing human health, comfort, and ergonomics which are more important than dressiness, DR.
