## About Us

Ercan Chocolate Company has established in 1991 for serving delicious and healthy products to customers in order to become a reliable and valuable brand. The company started to produce "hard candy" in 1985, "cookies" in 1991 and finally started to produce "compound chocolate" in 2012. The company keeps growing its production capacity by using Ercan as a main brand since 2012.

The company continues to raise the product range and the customer portfolio day by day. Ercan Chocolate Company produces its own products in a factory that builded on 2.200 m2 area in Konya with its 25 professional staff. Ercan Chocolate continues its efforts daily to reach wider crowds with its growing product range, to improve its industry
