About Us

Eşrefoğlu Piliç was established on 01.03.2012 with the initiatives of Murat Hamdi Gökmenoğlu. Over the years, it has increased its capacity by adding chicken sausage and chicken meatballs to its workshop, where it started its activities with 1 employee. In the current period, it has increased its turnover and increased the number of employees to 2 veterinarians and 10 personnel and has moved its business to the micro level.
