Hakkımızda

Located in the heart of Turkey, Exunay Co. is one of the largest and most professional suppliers and manufacturers of spare parts for the most famous tractor brands in the country. We are wholesale manufacturer and supplier. Combined with our wide range of stock and the comprehensive knowledge of our professional staff, we can help you find the parts you need quickly, all in one place and at a competitive price. Our biggest feature that distinguishes us from our competitors is that we are manufacturers and at the same time we are in the heart of the region where the highest quality products are produced at the most affordable prices. As Aftermarket, we are proud to be the first and the only one in most of the product groups we produce. It is also a pleasure to produce special products according to the demands of our customers.
