Hakkımızda

With more than 25 years of experience we reached 4 continents and more than countries all around the world. Located in Konya - TURKEY, Ferhat Company produces high quality spare parts for heavy machinery of Caterpillar, Komatsu, Mitsubishi, Volvo and Hitachi brands and we export our parts to all our beloved customers all around the globe. With our slogan "For Great Performance" our company does its best to satisfy the customers and gives splendid importance for honesty, quality and on-time delivery. We manufacture Bronze and Aluminum Gears, Wear Strips and Bushings. We also produce huge variety of bushings, washers and rings for concrete pumps of Schwing, Putzmeister, Sermac, Cifa and Zoomlion brands. In our factory we both have casting and machining using CNC machines, and we are able to give the
