Hakkımızda

GEMMA AUTOMOTIVE IS A LEADING TURKISH COMPANY OPERATING IN THE INDUSTRY OF HYDRAULIC SYSTEMS FOR TIPPING TRUCKS, TRAILERS, SEMITRAILERS, GARBAGE TRUCKS AND CRANES. Over 30 years old, serving more than 40 countries across the world, Gemma is based in Konya, Turkey, with one state-of-the-art 14 000 m2 manufacturing plant. The company is committed to the development, production, marketing and distribution of components mainly used in connection with hydraulic loading and unloading systems on tipper trucks and trailers for the road transportation industry in on- and off-road applications. All Gemma components are made to meet global market demands in terms of quality, price, availability, on-time deliveries and after sales service.
