About Us

Konya Gimat Rubber was founded in 2006 by Mr. Hüseyin DOLAPCI.Since this date, our company has given great importance to the production of "Rubber Spare Parts" products with a focus on "Always Customer" and "Always Quality" and R & D work to always be the best in line with the opinions, suggestions and complaints we receive from our customers. As a result of these studies, it has adopted the policy of continuous self-renewal with its investment in technology.Our production is carried out in our new facility located in Büsan Organized Industry in Konya. All of the products produced are sent to our customers after passing through quality control.Our products are being sold to the domestic market and will be exported very soon.
