About Us

Established in the year 2011, with its expertise in machine production and automation sectors, our company is enhancing with safe steps towards being the leader of manufacturing companies in producing state of the art packaging machines. Nowadays, packaging solutions are not limited to raw and unprocessed food; It is expanding in general foods such as dried fruit, fries and much more, and this is one of the reasons why our goals are not limited. We are make our strives to take its place in the domestic and international markets at higher levels to project, counseling, production and turnkey solutions.
