Hakkımızda

Our technology-leading products shape the future of agriculture and excite our customers and partners. This is guaranteed by 400 employees at the Eggmühl campus and around the world. On the new 14-hectare company site in Schierling, we have begun construction for the future in the coming years. HOLMER Maschinenbau GmbH is headquartered in Eggmühl Regensburg. We are the world leader in self-propelled sugar beet full-range harvesting.
