About Us

Our company started the production of cast iron in an area of 150m^2 by Hasan BULMAZ in Karatay Industry in 1980. In 2000, the newly built Dökümcüler Sitesi moved to an area of 2.000m^2 and continued production using induction furnaces. In 2010, ductile iron and steel casting was added to its structure in line with customer demand. We continue production with 1 750 kg furnace and 1 500 kg furnace. We reach an annual casting production capacity of 1,000 tons.
