About Us

In order to offer reliable and healthy products to its customers, İkonía Gıda started to produce hard candy in 1985, cake production in 1991 and finally started to produce cocolin in 2012. Our company, which has been using the "Ercan Sezer" brand since 2012; At the beginning of 2021, it changed its name to "İkonía Gıda". Our company continues to increase its production capacity day by day.

Our company is increasing its product diversity and customer portfolio in its sector day by day, and now it produces its products in Konya with 25 professional employees in a total area of 2.200 m², accredited with international standards with HALAL 22: 2013, ISO 9001: 2015, ISO 22000: 2005 Certificates.
