About Us

KEVSER was established by HÜSEYİN ÇEÇEN in a small workplace of 150 square meters for the production of Turkish delight and Cezerye a quarter of a century ago. He began to take his place in the market since 1980 with his experience and determination. From time to time, HÜSEYİN ÇEÇEN has increased its capacity from 150 square meters to 300 square meters. HÜSEYİN ÇEÇEN has given great importance to hygiene, quality, experienced staff and customer satisfaction. In 1997, KEVSER ŞERLEME LDT. STI. ÖMER ÇEÇEN was appointed as the head of this company by becoming more professional and incorporating. The company's policy is to grow in production and production field by adapting to the globalized world conditions by paying more attention to hygiene, quality and experienced staff. In addition to Turkish
