Hakkımızda

Founded in 1998, Konya Legumes has been operating under the name KONBAKSAN since 2005. Our company is formed from a safe, experienced and honest staff and operates with its own capital. Our company has the equipment which can process the highest quality pulses with its advanced technology in a short time. Konbaksan, which has reached the developing level of technology and manufacturing according to the market and economic conditions in a very short time, has a principle that keeps its prices stable despite the rising prices in price passes and reflects the falling market conditions to its customers instantly. Its purpose is to earn income from its goods, not from stock, by reducing alsat and production costs and increasing quality.
