About Us

Konel is an innovative and solution-oriented manufacturer specializing in elevator control panels, drives, and electronic boards. Closely following the latest developments in elevator technologies, Konelsan aims to provide safe, efficient, and long-lasting products. Thanks to its R&D-focused production approach, high quality standards, and flexible manufacturing capability, Konel has become a preferred brand in both domestic and international markets. With its export-oriented growth strategy, the company delivers fast and effective solutions to meet customer expectations.
